Title

City Code 6.506

Authorized Representative of Industrial User. An authorized representative of an industrial user shall be: (a) A president, vice president, secretary or treasurer in charge of a principal business function, or any other person who performs similar policy or decision-making functions for the corporation, if the industrial user is a corporation; (b) A general partner or Proprietor if the industrial user is a partnership or proprietorship, respectively; or (c) A duly authorized representative of the individual designated in (a) or (b) provided the authorization specifies either an individual or a position having responsibility for the overall operation of the facility from which the discharge originates or a position of equivalent responsibility or having overall responsibility for environmental matters for the company, is made in writing by an individual designated in (a) or (b) and such authorization is provided to the City prior to or together with any reports signed by an authorized representative as provided in 40 CFR 403.12(l) or required by the City Manager.
